Outer Carton: 48

Product information

Lightweight and robust, the PW40 is suitable for all day comfort. Excellent attenuation rate. Metal-free design.

Ear Muffs

Portwest Hearing protection range includes PPE with different level sound attenuation, to be adapted to various working environments giving the correct protection from dangerous noise, without isolating the workers. New models and colours for earmuffs allow a personalised choice. An updated range of earplugs complete our competitive and performing offer.

Hearing Protection

Hearing problems occur when you are exposed to hazardous working conditions without wearing the correct protective equipment.

Standards

EN 352-1 (SNR 27dB)

ANSI S3.19 (NRR 22dB)

AS/NZS 1270 (SLC(80) 28dB - Class 5)
